~~An entry has been found in the CRs for Astara I
for a child Edward son of Wm Boyle. The mother's
name however is not given as Mary. Were you
correct in ~~the CRs~~ calling her Mary?~~

~~When replying, you might also give a full
list of the brothers & sisters of Edward Boyle — this
will be a great help in identifying the family.~~

showing the age of their son Edward
will be sent to you if you so desire
without any extra payment.~~
