

Re Census Entry of Maryann Ryan

With reference to your letter of the 11th instant, please note that the name Maryann Ryan does not appear in the Census Return (1851) of the family of Arthur & Rose M'ardle.

When dealing with your bespeak docket dated the 4th instant, it was assumed that applicant was a child of Arthur and Rose M'ardle and that she ~~was~~ married a man named Ryan subsequent to the taking of the 1851 Census, so that she would be described by her maiden name at that time.

P.O. for 2/- herewith returned.
