You are requested to state the name of the townland in the CPO of Kulkerrin in which your mother was living in March 1857 when the Census was taken. The Parish of Kulkerrin is very large, extending over a wide area. If your mother cannot remember the exact name of the townland she might remember the names of the tithes that surrounded her home & the exact distance & direction to the nearest market town. She will thus help us considerably in locating the exact position of her home.
