As you have already been informed, a return was found in
the CR of 1841 for a family of P & B. L. ^{of Ishlaun} but the name of a child
Martin was not entered therein: ~~also~~ and the corresponding
return for 1851 was not forthcoming. The family therefore must
have left Ishlaun and possibly left the county altogether
before the census of 1851 was taken. No R.C. Registers of baptisms
are deposited in this office.
