

1504

With reference to your letter of 18th inst, you are
hereby informed that the only children shown
on the return are Mary aged four years and
Bridget aged two years (Insert names of said
children if any). According to the return your
parents were married in 1845, so that the
omission of your name is probably due to the
fact that you were not born at the time the
Census return was taken.
