This Dept. could not undertake a search through the CR of 1851 for the whole parish of Clovenagh + Clonagheen (in wh. Rakeen is situated). A search has been made among the returns of heads of households for the parish. The family of John + Mary Hyland was found. In this return was mentioned a son John aged 36 unmarried but no son Patrick. If you were living in Ireland in 1851 you should state the name of the townland in wh. you were living. If you were living in England then you should apply to the G.O. at London for a search in the census there.
