

The 38th (South Staffordshire) Regiment appears to have left Ireland ~~before~~ prior to 1851. It would therefore be useless to search the Census Returns for that year.

In March 1847 the date of Esther Lacey's birth, the Regiment was stationed at Londonderry with small detachments at Letterkenny & Dunfanaghy. It would therefore be advisable for you to make application for a certificate of baptism to the clergyman of the denomination to which Esther Lacey belonged at Londonderry
