

Dear Sir N. E. Oct 30/19

Would you kindly  
look up my register of birth  
I was born in the forties  
being left at a very early  
age, I do not remember my  
Mother; I think I am near  
40 but do not know, I was  
born at a place called  
Ballaskel, I have written to  
Down Patrick Chapel but they  
did not take any census till  
52 so could not let me know  
hoping you will kindly oblige  
me I remain Yours Most  
Respectfully Tomasina
